

Software Technology Parks of India – a step in right direction

Ministry of Information Technology, (Ministry of Information Technology) Govt. of India has recognized the potential for software exports and created the **Software Technology Park Scheme (STP)**. As a Part of this scheme, MIT has taken the right step at the right time in establishing the Software Technology Parks of India (STPI), an autonomous society. **STPI** centers have been created at strategic locations across the country. New fiscal incentives offered under this scheme, Infrastructure created by **STPI** and the Investor friendly environment have contributed to a steep growth in the Software Exports

Goal

To contribute to the prosperity of the national economy through promotion of exports from the Software & Services Industry by facilitating all the statutory services of the Govt., strengthening the Communication Infrastructure and by increasing the quality consciousness in the Industry.

Objectives

- To act as front-end to the Software Industry for the Govt. policies and approvals
- To establish and provide Data communication facilities, Computer Facilities and Infrastructure facilities like Office Space and General Amenities.
- To promote development and export of software & the services through technology assessments, market analysis, marketing segmentation, marketing support & related areas.
- To train professionals and to encourage design and development in the field of Software Technology and Software Engineering

STP Scheme its benefits

- Approvals are given under single window clearance mechanism.
- An STP project may be set up any where in India
- Jurisdictional STPI authorities clear projects costing less than Rs. 100 million with Indian Investment.
- 100% Foreign equity is permitted
- All the imports of Hardware & Software in the STP units are completely duty free, import of Second hand capital goods also permitted.
- RE-Export of capital goods are permitted.
- Simplified Minimum Export Performance norms i.e.,

“Positive Net Foreign Exchange Earnings”

- Use of computer system for commercial training purpose is permissible subject to the condition that no computer terminals are installed outside the STP premises.
- The sales in the Domestic Tariff Area (DTA) shall be permissible up to 50% of the export in value terms.
- STP units are exempted from payment of corporate income tax till Assessment Year 2010
- The capital goods purchased from the Domestic Tariff Area (DTA) are entitled for benefits like Excise Duty & Reimbursement of Central Sales Tax (CST).
- Capital invested by Foreign Entrepreneurs Know- How Fees, Royalty, Dividend etc., can freely repatriate after payment of Income Taxes due on them if any.
- The items like computers and computers peripherals can be donated to recognized non - commercial educational institutions, registered charitable hospitals, public libraries, public funded research and development establishments, organizations of Govt. of India, or Govt. of a State or Union Territory without payment of any duties after two years of their import.
- 100% Depreciation on Capital Goods over a period of five years.

XV . Export Performance

Minimum Export Performance as a percentage of Net Foreign Exchange Percentage of Exports

The minimum Performance (EP) as per Appendix I of EXIM Policy 2002-07 as amended on 01/04/2003 is as follows:-

| Name of the Sector | Minimum NFEP |
|---|-------------------------------|
| Computer Software & IT Enabled Services | Positive Net Foreign Exchange |

EOU/EHTP/STP unit shall be a positive net foreign exchange earner. Net Foreign Exchange Earnings (NFE) shall be calculated cumulatively for a period of five years from the commencement of production according to the formula given below. Items of manufacture for export specified in the letter of permission (LOP)/ Letter of Intent (LOI) alone shall be taken into account for calculation of NFE.

$$\text{Positive NFE} = A - B > 0$$

Where NFE is Net Foreign Exchange Earning

- A) is the FOB value of exports by the EOU/EHTP/STP unit; and
- B) is the sum total of the CIF value of all imported inputs and the CIF value of all imported capital goods, and the value of all payments made in foreign exchange by way of commission, royalty, fees, dividends, interest on external borrowings during the first five year period or any other charges. "Inputs" mean raw materials, intermediates, components, consumables, parts and packing materials.

If any goods are obtained from another EOU/EHTP/STP/SEZ unit, or procured from an international exhibition held in India, or bonded warehouses or precious metals procured from nominated agencies the value of such goods shall be included under B.

If any capital goods imported duty free or leased from a leasing company, received free of cost and/or on loan basis or transfer, the CIF value of the capital goods shall be included pro-rata, under B for the period it remains with the units.

For annual calculation of NFE the value of imported capital goods and lump sum payment of foreign technical know-how fee shall be amortized as under:

1st - 10th Year: 10%

Statutory compliance for STP units

Important statutory compliance for STP units are listed below as reference:

Accounts: Each of such unit is required to maintain separate accounts for its operations. Separate annual balance sheet will have to be made for each such unit which would become a part of the main balance sheet of the company. For maintaining separate accounts the following will have to be done:

- a) Maintenance of separate Cash & Bank book and corresponding vouchers
- b) Maintenance of sales invoices.
- c) Maintenance of Fixed Asset register
- d) Maintenance of Foreign Inward Remittance Certificate file (FIRC's) & Bank Realization Certificates file where the original of the FIRC's and BRCs are kept.
- e) Maintenance of contract file, where copies of contracts received from buyers are maintained.
- f) Preparation of yearly balance sheet for the unit which would ultimately become a part of the balance sheet of the company.

Banking: Each unit is required to maintain separate bank accounts for its operations. The unit is free to have as many bank accounts as it desires but shall have to designate a single branch of bank whom all export documents will be submitted. In other words the work of handling of all shipping documents and realization of export proceeds will have to be entrusted to this designated bank branch,

Mandatory Statutory Obligation & Records :

The following are the details of other mandatory statutory obligation and records that have to be kept at the unit:

- a) **Import Certificate:** A copy of the import certificates issued by STPI permitted imports for the unit should be maintained. This should have the full debits etc., as per the actual imports.
- b) **Export Certificate:** A copy of the certified export forms attested by STPI should be maintained.
- c) **Bill of Entry File:** Copies of all the Bill of Entries for the import of materials have to be maintained in this file. This should be maintained in the same order as per the prescribed format
- d) **Performance Reports File:** Monthly & Quarterly performance reports have to be given to STPI. A copy of the return duly received by the authority must be maintained in the MPRs & QPRs file separately.

Annual Performance Return: Yearly performance report to be given to the Authority in the prescribed form as sought by them. Annual performance returns to STPI should be promptly given, as the authority on the basis of this return works out the actual export obligation etc., for the STP Unit. (Format of Annual Report is at Annexure– XXXII)

Service Charges to STPI:

Each STP unit is required to pay service charges to STPI as per following:

| Export Turnover for the Year | Revised Annual Service Charge |
|--------------------------------------|--------------------------------------|
| Up to Rs. 25 lakhs | Rs. 8,000/- |
| Above Rs. 25 lakhs - Rs. 50 lakhs | Rs. 16,000/- |
